Eating out is one of life's great pleasures.

It's a time for family and friends, old and new, to share food, wines and stories in a relaxed and stress-free environment.

At Imli, we offer our menu of contemporary Indian street food 'tapas-style' – for sharing. All the dishes are freshly cooked to order, then brought to your table when they're ready, and placed in the centre for you all to enjoy, rather than served as a conventional progression of courses.

So sit back, relax and enjoy your food, wine and your company.
